7. Report from the nominated federal candidate. Erich Jacoby-Hawkins  
He has been working on building the profile of the Green Party-  
He has a weekly column in the Barrie Examiner about Green issues and community  
info- also see his blog at “erich the green”  
He spoke at the Chamber of Commerce about carbon credits- and will speak again,  
besides raising awareness and the Green Party profile, these contacts have led to  
good donations for events.  
He has become a go to guy for local media outlets getting calls for his opinion and  
response.  
Member of shadow cabinet in economics.... Spoke at the Georgist Society  
Conference. They may publish it... he has been interviewed by The Houghington  
Post.  
Volunteering with various local groups – film festival , out of the cold program.  
He is attending new organization focussing on economic and green solutions across  
Canada to address the gap between rich and poor  
He asked asked us to write letters to the editor.  
Encouraged us all to help out at upcoming the bi-elections  
We are going to repeat the super drive on Earth Day.  
Erich has encouraged us to think of any of al of our social meeting groups as an  
opportunity for Erich. He wants to be invited, so he can listen and learn and answer  
questions. This is one of the best ways to keep in peoples' minds.
8. Notice of a provincial nomination contest-  
We have no one as of yet but the nomination is still open. Erich does not plan on

running as there may be a federal election in the spring.

9. Discussion of proposed GPO CA constitution & “existing” EDA constitution  
See attached approved/ seconded Doris Tretter, Louise Gravelle – vote passed.
10. Voting for the new executive explained and nominees present given the chance to speak.
